

Products manufactured for industrial workers against chemicals are in a way very similar to the product needs for some military applications. CBRN clothes all have resistance against wide range warfare agents as Sarin, Tabun, Lewisite, Yperite

Sauvegarde suit

Specially developed for French Navy, the Sauvegarde suit in addition to offer a high resistance to warfare agents is characterized by its very small packaging allowing being place in the Mask Bag and its short donning time. It replaces the overcoat of the infantryman...
